

# Prepared Foods Recycling Guide

## Unsalable/Unusable Products

Place with compost. (Solid meat should be placed in meat department's bone barrel.)

## Glass / Metal / Aluminum

Place in appropriate recycling bins.

## Clean/Dry Cardboard

Place in the baler.

## Styrofoam Boxes

Place on top of compost pallet.

(Styrofoam is not compostable but processed by community recycling.)

## Wet/Soiled/Waxed Cardboard

Place with compost.

## Gloves

Place Latex gloves with compost.

Vinyl gloves go in trash.
